NFDC Annual Convention – Forte Village, Sardinia Friday 27th - Monday 30th August 2010

The 2010 NFDC Convention will be held on the beautiful Italian island of Sardinia, nestling in the heart of the Mediterranean close to the west coast of Italy. A long-time favourite destination of the international jet-set, Sardinia is a stunning destination which boasts a beautiful landscape of mountains, forests and hilltop villages, not to mention the miles of magnificent beaches and crystal clear waters.

The venue we have chosen is the award winning Forte Village Resort, a unique 25 hectare tropical oasis. Accommodation is provided in bungalows scattered amongst the landscaped gardens, sport grounds and swimming pools all of which is situated on a wonderful beachfront on the south coast of the Island. The Forte Village Resort is home to a fantastic Spa that has recently been designated as a Leading Spa of the World, a super modern gymnasium and array of facilities to keep you, your children and teenagers entertained. I'm sure you will agree it is the perfect location for everyone.

Our weekend will begin on Friday morning with golf at the world famous Is Molas Golf Club, five times home to the Italian Open, and only ten minutes drive from the Forte Village Resort. I would advise those who wish to play to arrive on Thursday.

On Friday evening, we will venture out to dinner at 'La Locanda di Baccalanza' a stunning private vineyard which is approximately twenty minutes from the Resort. You will be served a selection of typical Sardinian dishes along with the vineyards own exquisite wines, there will also be an opportunity to see the local master craftsmen at work. An evening for all the family and not to be missed!

Saturday morning will start with the half-yearly business meeting in the first class conference facilities at the Resort. The ladies will have the opportunity to visit the local town of Pula and enjoy its variety of traditional shops and pavement cafes located around the piazza.

The day will culminate with the Gala Dinner featuring a cocktail reception, superb cuisine and local wines, followed by wonderful cabaret entertainment and dancing under the stars of the Sardinian moonlight. Those who wish to carry on the nights entertainment can head over to the resort's own nightclub, which will be open until 3am.

On Sunday, there will be an ideal opportunity to relax and enjoy the sunshine or alternatively make use of some of the many recreational facilities available at the Resort including a vast array of water sports on the warm Mediterranean Sea.

The evening will be completed with an extensive barbecue in our own private restaurant overlooking the beach. Traditional entertainment will be provided to enhance the informal atmosphere.

An extensive programme for the children will be coordinated by our school teachers in a safe environment to the usual high standard and include an array of outdoor and indoor activities of fun on the Friday and Saturday, including a suitable menu and refreshments prepared by the hotel's chefs in the exclusive children's restaurant.
