In accordance with Federation Rules, Members are required to attend a minimum of three Regional Meetings per year. For the avoidance of any doubt, the attendance year runs from National AGM to National AGM.

The National Council consider that attendance of Regional Meetings is vitally important to ensure any Federation matters and issues are raised, debated and actioned accordingly.

As such, at the National Council Meeting held on 24th November 2009, it has been determined that the following action will be taken for non-attendance of Regional Meetings:-

- (1) Should a Member Company miss 1 or 2 of the minimum 3 meetings required a fine will be levied at £500.00 per meeting. This will be split, National to receive £300.00 and Region to receive £200.00.
- (2) Should a Member Company miss all 3 meetings during the year, a fine will be levied at £1,500.00. Also, the offending Member Company will be placed on probation and required to attend the next available National Council Meeting to give an explanation for non-attendance. The National Council will then decide on what further action is to be taken.
 - a) **Note**, members on Probation will be clearly identified on the Federation web site.
 - b) **Note**, in accordance with Federation Rules, persons eligible to attend Regional Meetings as Company Representatives shall be a Director, Principle or Senior Management Representative.
