21st August 2009

Dear Mike

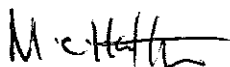

**Thank You!**

Thank you so much for the National Federation of Demolition Contractors' very generous donation of £2,000 which I received today. I am absolutely thrilled that you chose to support Disability Challengers again this year through the money raised from your marathon places and the donation will make such a big difference.

Your donation has come at a very important time for Disability Challengers, it's our 30<sup>th</sup> Birthday! In the last ten years alone we have increased the number of children we support in Surrey from 70 to 1,000! In 2008, Disability Challengers play and youth schemes gave children across Surrey the invaluable opportunity to play with their friends whilst their families enjoyed a few hours break from the constant cycle of care. These schemes provide over 16,000 child spaces to families affected by disability.

On behalf of all the children, families and staff at Disability Challengers, thank you again for all your support and I look forward to speaking with you again.

Yours Sincerely,

Madeline Hatton
