INVITATION

EDA Conference in Nice, 4th – 6th June 2009

WELCOME TO NICE

Dear Friends,

It is a pleasure for me to present to you the programme for the next EDA Conference in Nice.

The aim of my presidency is to look at new ideas in order to continue developing our association. Several initiatives have been launched so far: the new EDA newsletter, the Demolition Awards with the KHL and a new EU project concerning the use of microwaves in demolition. By joining forces we can make the EDA even more attractive to each and every company working in demolition.

I wish for all of us and for the EDA to have some interesting discussions and to share new knowledge with our colleagues and partners. Let the outcome of the conference be of mutual benefit clearing the path to better praxis and new business opportunities in the demolition field.

Yves Canessa
President of the EDA

The spouses tour on Friday, 5th June

Artistic Village of Saint Paul de Vence

Artistic Village of Saint Paul de Vence

Erected in the 16th century, in the shelter of its ramparts, erected in the 16th century, this medieval village is one of the most beautiful villages of the French Riviera. It became famous during the 1920's, when it was discovered by artists like Soutine, Rounault, Matisse, Derain, Léger and Chagall. Later, other renowned artists have been inspired by this village and made it famous all over the world.

Informal dinner on Friday, 5th June

"Chez Simon"

Simon's cuisine proposes a large range of regional and traditional specialities. Located on one of the most beautiful hills of the town, this restaurant offers the charm of the hinterland of Nice. If the weather allows, a cocktail will be served on the "Pétanque" field, a popular game in the Southern France. The ambiance in the restaurant is absolutely unique; a great informal evening of fun and good food is guaranteed.

The spouses "time on your own" on Saturday, 6th of June

Old Nice, shopping, the beach, and much more...

This year we have decided to give some more free time to the spouses to enjoy the city by their own. The hotel is just a short distance from some of the finest sites in Nice, including the old city, luxury boutiques, and the beach. Should you lack inspiration, please do not hesitate to contact the EDA Secretariat.

The joint tour on Saturday, 6th of June

Lunch at Villefranche Port and boat trip around Cap Ferrat

After the end of the professional part of the Conference, the group meets to enjoy a great lunchtime right in the port of this fantastic village. We will be delighted by great Italian inspired food in the authentic ambiance of the port, while our boat is waiting for us. Let us relax and have a look at the coastline from the sea around Cap Ferrat.

Gala Dinner on Saturday, 6th of June

"Ruhl Beach"

Without compromising the traditional "EDA Gala style" (we expect all of us to look our best for the occasion), we have decided this year to go for a Gala dinner "al fresco" at the hotel private beach.

We are looking forward to meeting you and your spouse in Nice.
