Dear Mike

Thank you so much for your letter dated 21 July enclosing an additional cheque to bring the total value of donations to the Scheme from this year's London Marathon to £12,000.

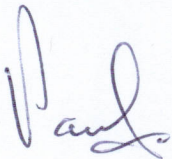

We knew from the donations received directly and via Justgiving that your runners had made a fantastic effort with their fundraising. This additional support really is the icing on the cake! We are delighted with the continuing and very generous help from the NFDC so please pass on our most grateful thanks to everyone concerned.

As you know, the money will be put to extremely good use. We had our July selection panel meeting this week, when 55 new awards, totalling almost £100,000 were granted to disabled students for the 2010/11 academic year and applications are already building for our second panel meeting in October.

Thank you again for helping us to give them a better chance of achieving success and greater independence in their lives.

With very best wishes

Yours sincerely
