NFDC Annual Convention – Madeira Friday 24th - Monday 27th August 2012

The 2012 NFDC Convention will be held on the flower-scented island of Madeira, only 300 miles from the coast of Africa. A haven of civilised peace, where respect & old world manners have yet to become outdated, you will find the garden island of Madeira is a refined & sophisticated destination, set in a spectacular & green landscape with a wonderful climate, where you will also benefit from great value for money in their bars, restaurants & taxi services.
